CERTIFICATE OF APPOINTMENT

City of Canandaigua Charter Review Commission

formed June 10, 2016 by Mayor Ellen Polimeni pursuant to Municipal Home Rule Law §36(4)

CHARGE TO THE 2016 CITY OF CANANDAIGUA CHARTER REVIEW COMMISSION:

a) The Commission shall review the entire Charter of the City of Canandaigua and prepare a draft of a proposed new or revised Charter. If the Commission shall decide to leave a part of the existing Charter unchanged, it may propose in one or more amendments a revision of the remaining parts. In such case it shall make a report to the public, accompanying its proposals, in which it shall refer specifically to such unchanged part and explain its decision to leave such part unchanged. The proposed Charter or such amendments may contain such provisions or effect such results as may be made or effected by local law under the provisions of Chapter 36 of the NYS Municipal Home Rule Law, and, subject to the provisions of Municipal Home Rule Law §10(4)(c), may contain any provisions of the existing Charter deemed necessary to make a complete Charter or appropriate amendments to the existing Charter, with such changes in the headings and in the numbering of the titles, articles, chapters, sections and subdivisions wherein such provisions are found in the existing Charter, as may be deemed appropriate to correlate and coordinate them with the other provisions in the proposed new or revised Charter and with such changes in the text of such provisions as may be deemed desirable to clarify the meaning of such provisions, and to vest in any of the officers of the City of Canandaigua provided for in the proposed new or revised Charter any power or authority contained in such provisions.

(b) Such new Charter or amendments shall be completed and filed in the Office of the City Clerk/Treasurer in time for submission to the electors not later than the second general election (November 7, 2017) after the Charter Commission is created and organized. The Charter Commission shall provide for publication or other publicity in respect to the provisions of the proposed Charter or amendments as it may deem proper, and for submission thereof to the electors of the city at a general or special election held not earlier than sixty days after the filing thereof in the Office of the City Clerk/Treasurer and not later than the next general election which does not occur within the said sixty days, provided, however, that if such general election occurs within ninety days after the said filing, the proposed Charter or amendments shall be submitted at such general election. At such election, if a proposed new Charter is submitted as a single proposal, there shall be submitted to the qualified electors of the city the question: "Shall the new City Charter proposed by the City Charter Commission be adopted?" The Charter Commission may, however, require that its proposed Charter be submitted in two or more parts so arranged that corresponding parts of the existing Charter shall remain in effect if one or more of such parts are not adopted, or may in lieu of a new Charter submit a revision of the existing Charter in one or more amendments and may also submit alternative Charter or amendments or alternative provisions to supersede designated portions of a proposed Charter or amendment if adopted. In such case the Charter Commission shall prescribe the form of the questions to be submitted, which shall be such as clearly to indicate the effect of their approval.

By the power vested in me as the Mayor of the City of Canandaigua, I do hereby appoint the above named residents of the City of Canandaigua to review the City of Canandaigua Charter as charged.

Ellen Polimeni, Mayor
