# FIRE DEPARTMENT 2017 ANNUAL REPORT

## INTRODUCTION

The City of Canandaigua Fire Department is dedicated to providing quality, timely and professional fire and emergency services to those who live in, work in, and visit the City and Town of Canandaigua as well as the surrounding communities. We have provided this exceptional service for over 200 years and will continue to do so for many years to come.

I have the honor of leading an amazing group of dedicated experienced firefighters whose focus is to provide superior service. We will continue to work hard to achieve the highest levels of preparedness, prevention, quality customer service and community involvement through continuous improvement and training.

We offer professional and efficient fire suppression, emergency medical services, rescue services, emergency preparedness, fire prevention and public education. Career and Volunteer Firefighters protect our community 24 hours a day, 7 days a week, 365 days a year. Our Department operates with career personnel on duty in our two fire stations to rapidly deploy apparatus to fires and other emergencies, while additional personnel respond directly to the incident scene.

As we evolve, our community grows and matures, our mission to protect life and property from fires, accidents, medical emergencies and environmental threats has also transformed to one that is not merely limited to "traditional" fire services but to encompass all threats and hazards to public safety.

Please contact me if you have any additional questions or have suggestions to improve our services to you.

In Service,

*Frank A. Magnera*

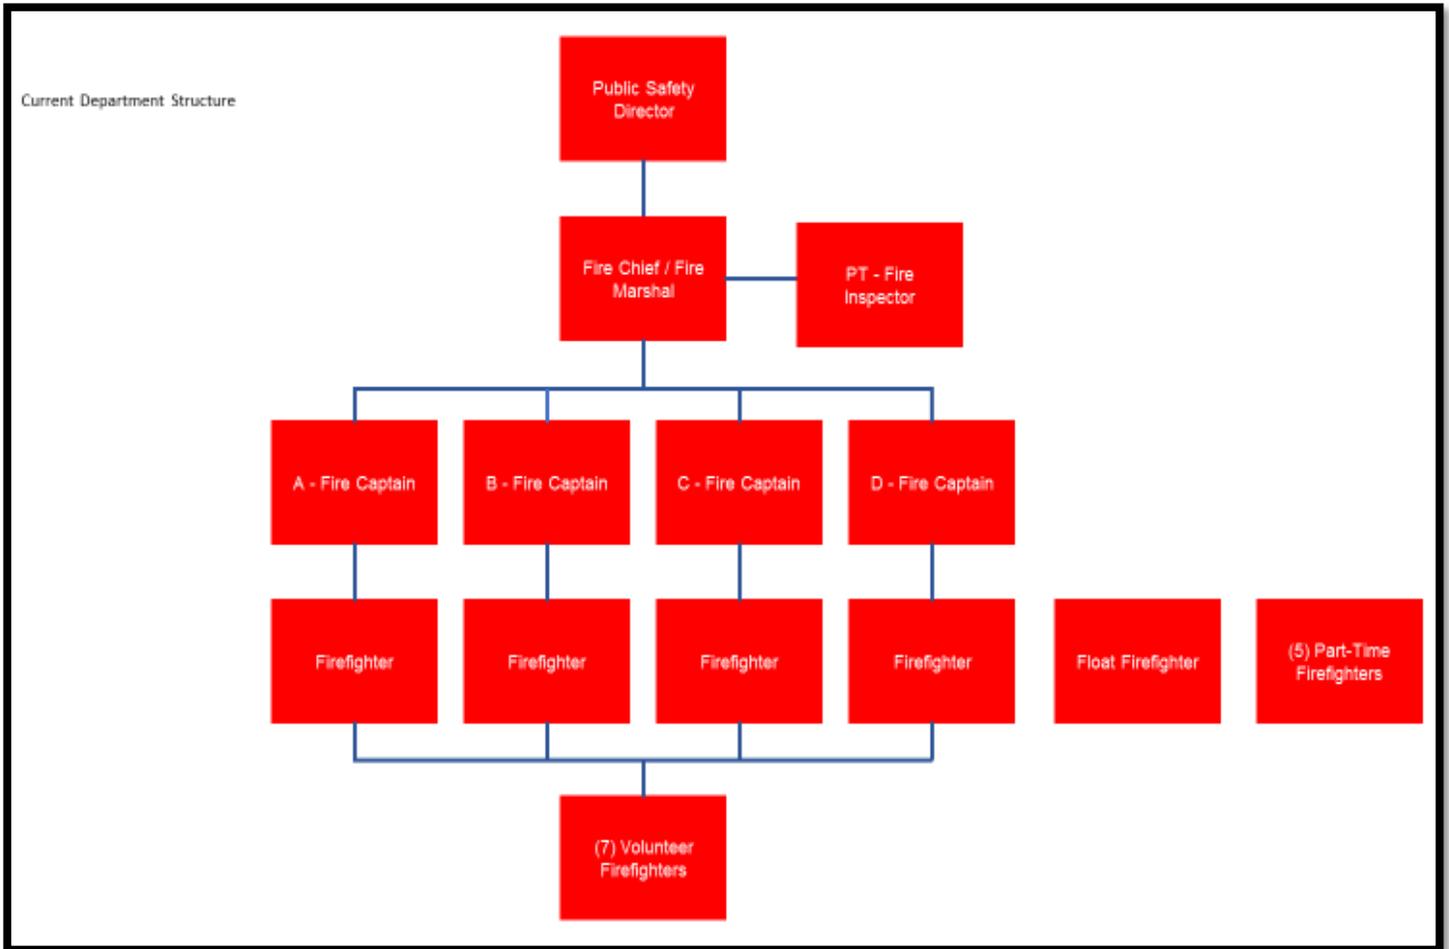

Frank Magnera, MS, CFPS  
Fire Chief & Fire Marshal

## FIRE DEPARTMENT 2017 ANNUAL REPORT

### ANNUAL REPORT SUMMARY

On behalf of the dedicated, trained, and professional career and volunteer members of the City of Canandaigua Fire Department, it is my pleasure to present our 2017 Annual Report for your review.

In 2017, the City of Canandaigua Fire Department responded to **1,435** calls for service. The theme of this year's Annual Report is that total incident numbers are up 10%, residential fires increased 33% from last year, but, overall structure fires are down 9%. Comparing our statistics to those nationally, Canandaigua (City & Town) continues to be a relatively fire safe community. There has been an increase in EMS calls related to drug and opioid overdoses. Other common incidents we responded to were automatic fire alarm activations, natural gas emergencies, carbon monoxide emergencies and motor vehicle accidents.

The Department saw some leadership changes in 2017. After Fire Chief Marinette's separation earlier in the year, Firefighter Ben Cramer stepped up and did an excellent job of fulfilling the position of Acting Fire Chief until my appointment in late September.

Canandaigua Fire Department remains a leader in the delivery of services. Services that include, fire suppression, Basic Life Support (BLS) first response, rescue services such as entanglement extrication, rope, ice/cold water rescue, open water rescue, confined space rescues, hazardous materials, and many other technical disciplines.

Training continues as one of our top priorities. We strive to be one of the most comprehensive, well trained departments in the State of New York. Many of our members can be found training or researching almost daily on topics such as Fire Suppression, EMS, Hazardous Materials, Specialized Rescue, and or Fire Dynamics.

We continually evaluate all aspects of emergency preparedness to assure our community is properly capable to handle a vast range of potential threats and hazards. We assist businesses and organizations in reviewing their emergency preparedness plans and critique their actual "live fire drills" when requested. Additionally, our members offer portable fire extinguisher training to local businesses and civic groups.

Our skilled Fire Prevention team continues to provide fire safety education to area schools, civic groups and the community. Ultimately, our fire prevention messages have impacted hundreds of children and adults around the area. Throughout the year, we have conducted numerous fire station tours and attended numerous community events.

Our Fire Inspector, continues to conduct fire and property maintenance inspections as well as educate businesses in regard to code compliancy and risk reduction. Our skilled Fire Investigators conduct and lead all fire investigations to determine origin and cause of fires. We also conduct numerous plan and plat reviews for building construction.

Our Department continues to add the highest quality vehicles and equipment to our fleet. Last year's addition includes one fire engine, rescue tools and metering equipment.

With the support of the citizens, Mayor, Town Supervisor, City Council, Town Board, our City Manager and Town Manager and their respective staff, as well as the other City/Town departments and supporting governmental agencies, we continue to be an exemplary organization that prides itself on being proactive, efficient, and exceptionally effective in our delivery of services.

## NOTABLE 2017 INCIDENTS

### 22 Scotland Road

On Sunday, March 5<sup>th</sup> 2017 at 11:39pm Canandaigua Fire Department received a call for a house fire with people trapped. Engine 211 and Truck 282, each driven by a career firefighter, arrived within three minutes.

Upon arriving on location, Captain Sam Loiacono immediately rescued three people from the window of the burning house with a ladder off of his fire truck.

Fire was caused by discarded smoking materials

\*Please note that due to a reporting program glitch that some NFIRS reports were not compiled in the above statistics. There were a few time reporting errors and dollar loss amounts missing. The glitch is being worked on by the program vendor.

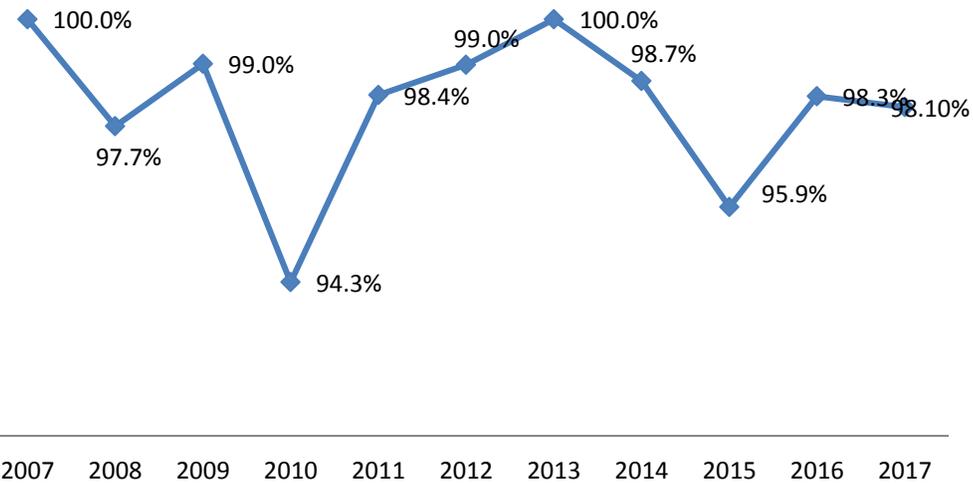

# FIRE DEPARTMENT 2017 ANNUAL REPORT

## Average Response Time (Fire Calls)

## Percent of Fire Calls with Response Under 9 Minutes

NFPA 1710 requires that turnout time should be 80 seconds for fire incidents and 60 seconds for EMS incidents. Travel time to a fire suppression incident, by the initial arriving company, should be 4 minutes or less. In the majority of incidents, CFD exceeds these response times standards.

\*Please note that some runs do not require the need to drive "Light & Sirens" or emergency to scenes. This causes an increase in response times.

# FIRE DEPARTMENT 2017 ANNUAL REPORT

## APPARATUS AND EQUIPMENT HIGHLIGHTS

CFD took delivery of a 2017 Pierce Saber Class A Pumper. It will be in service and responding to calls by end of March 2018. This will replace the current frontline Engine 211 and place it into reserve status as Engine 212.

The department also purchased a set of battery-powered *HURST Jaws of Life eDRAULIC* rescue tools to be placed on the new Engine. They require no hoses and no power unit. These tools are stronger, smaller, lighter and extremely portable.

The department also purchased a new Sensit Gold Carbon Monoxide & Combustible Gas Leak Detector.

### SMOKE ALARM INSTALLATION PROGRAM / CAMPAIGN

At the end of 2017, CFD partnered with the American Red Cross to install smoke alarms where needed in the City and Town, as well as teach residents how to prevent and survive home fires. The campaign includes:

- Canvassing at-risk neighborhoods
- Installing free KIDDE 10-year battery - Smoke Alarms
- Replace batteries in existing alarms
- Provide fire prevention and safety education

### COMMUNITY OUTREACH

Ongoing recruitment of Volunteers. Our team attends community events to showcase our efforts and attempt to recruit new members.

At the end of 2017, CFD also teamed up with Ontario County Public Health and Trillium Health. Their mobile addiction outreach van for will be setup in the parking lot of Fire Station # 1 on Thursdays from 12pm-3pm. They provide addiction outreach and counseling as well as syringe exchange services.

## FIRE DEPARTMENT 2017 ANNUAL REPORT

Thank you to all of the members of this fine organization for continuing to uphold the traditions that are the foundation of the Canandaigua Fire Department. I hope our performance showcases our commitment and dedication to the citizens of our community.
