

City Council Planning Committee Meeting Notes

Planning committee met this past Tuesday (Oct 1, 2013) at the Hurley Building. Rick Brown our Director of Planning and Development has been working closely with us and the Comprehensive Plan Committee, presented the latest draft of the Plan. This is the draft that is on our website currently. We suggested a few final tweaks and then the Plan will be sent to the Ontario County Planning Board for their approval. We hope to have approval in time for City council's final approval at the Nov 7th Council meeting.

I would like to acknowledge again the members of the Comprehensive Plan Committee and commend them for doing a superb job of updating our City Comprehensive Plan. This plan provides an accurate description of our community as well as planning goals and objectives.
