News and Notes:

Street Reconstruction: Planning is beginning for the 2022 project. Possible streets are Phoenix, West Avenue (bridge to Main), and North Bloomfield Road.

Tree Removals: These are progressing. Several were done today. Ash borers have been found in the ash trees removed.

Town of Canandaigua: They will soon do a tree inventory led by Jim Rose. Sarah Reynolds is beginning a Tree Advisory Board for the town.

Private Tree Removal: A large tree on private property at Gorham and Catherine Streets needs to be removed. Code Enforcement has been notified. Habitat for Humanity may be an option for financial assistance with this project. John will ask Stephanie to take a look.

RG&E Trimming: Are trees in private yards conflicting with power lines? Let's ask Kevin Fagan, the RG&E Arborist, to join us for at a meeting this spring.

Information: Elizabeth did a paper on the Original Tree Survey of 1812. She will share it.

March Agenda Ideas: Invite Kevin Fagan of RG&E? Invite Sarah Reynolds? Update the Recommended Tree List with an eye toward native trees? Arbor Day location?
