**1. 2020 Recommendations**

After two meetings, the Task Force is coalescing around a pedestrian plaza concept from Mill Street to Main Street on Friday and Saturday nights from 4 PM – 11 PM starting July 10<sup>th</sup> and ending when the weather turns. All Downtown restaurants would be able to serve food to the tables in the street, but beverages would only be provided by the businesses on Phoenix Street with each having a liquor license for the area. The Task Force has invited restaurants and business owners to participate as to the feasibility of this concept.

***Next Meeting: TBD***
